United Way 2-1-1 Emergency Resource Lookup

The easiest way to locate your nearest Emergency Food Resources is to dial 2-1-1 on a telephone. This will connect you to a United Way 2-1-1 call center location. The operator will ask you a few basic questions (family size, location, etc.) and provide you with the nearest food distribution location. Individuals and families in Clinton, Eaton, Ingham and Shiawassee will connect to Central Michigan 2-1-1 by dialing 2-1-1 or by calling 866-561-2500.

The Emergency Food Assistance Program (TEFAP)

TEFAP is a quarterly food assistance program that provides commodities to low-income (200% FPL) households four times per year. Although food packages vary, each package includes protein, fruit and vegetables. Items from each food group are made available four times per year to assist recipients in maintaining a healthy diet.
