

Clinton County Employment Guide

Job search TIPS: create a FREE online resume, ex. Indeed.com, commit to applying for ONE job a day, keep a log of where you have applied and the contact information, be inclusive with your job search, follow up on applications and submitted resumes

Interviewing TIPS: present yourself in clean, neat clothing and freshly showered, business casual attire, research the company prior to interview and write down three interesting facts you learned about the company in your research and how it relates to the job you have applied for
